View your exam history and certification status

NOTE: Please allow up to **five business days** from the time of your exam for your exam and certification status to be updated on your CompTIA certification account.

You must first pass both A+ exams to achieve CompTIA A+ certification and receive your certification kit.

To access your certification account, log in at <https://login.comptia.org> and click on the Manage Certifications tab. Your exam(s) are located on the History tab and your certification(s) are listed on the Certifications tab.

To receive your certification kit

CompTIA provides a complimentary printed certificate and wallet card for your new certification. Prior to the mailing of your certification kit, you must verify the spelling of your name and the mailing address on your account.

1. Log into your CompTIA account at <https://login.comptia.org>. Use the password reset option if needed.
2. Click the profile icon with your initials in the upper-right corner of the page and click My Profile from the dropdown.
3. Verify the accuracy of your name. If your name needs to be changed, please submit a help request at <https://help.comptia.org> to have your name updated by a member of our customer service team prior to proceeding further.
4. Click the Verify Address button in the banner at the top of the page, which states "You have a certification kit ready to be mailed. Click here to verify your address."
5. Review your address and make any necessary changes, then click the "Verify Address" button.

Your certification kit will be mailed via USPS first-class mail. Please allow up to eight weeks (often sooner) for your certification kit to be prepared and delivered.
